

UPDATE ON RECRUITMENT - ISSUE OF OFFERS OF APPOINTMENT -
15.05.2015

This time we bring good news to Engineering Assistants. A long list of candidates to whom Offers have been issued in the past few days is enclosed at Annexure I. A smaller list of PEXs is also enclosed at Annexure II. This is the last of the PEXs to whom Offers have been sent. After this, a small number of candidates remain to whom we cannot issue Offers as of now because they are not meeting the prescribed eligibility criteria. Another list of TREXs including Production Assistants is at Annexure III. This is again the last of the Offers meant for the clear cases of candidates selected to the post of TREX. Insofar as issue of offers to the recommended candidates to the post of Technician is concerned, it is informed that our zonal offices will be issuing the letters to them. The contact details of the zonal offices are as under:-
