

**UPDATE ON RECRUITMENT - IMPORTANT INFORMATION TO THE
CANDIDATES RECOMMENDED FOR THE POSTS OF PEX, TREX AND
EA - 01.05.2015**

In continuation of our update posted on 24.04.2015, the new lists of PEXs and EAs to whom Offers of Appointment have been sent in the last one week are enclosed at Annexures I & II.

2. As informed earlier, the requirement of police verification prior to offering the appointment and the delay that it has caused, has been under review. We are pleased to inform that, after careful consideration, it has been decided to simplify the procedure of verification by not insisting on completion of police verification **before** the issue of Offers of Appointment. Instead, it has been decided that each candidate would be required to submit a vouching certificate from two Gazetted Officers and also a notarized Affidavit while reporting to the Stations to which they are being posted. The proformas of the Certificate and the Affidavit are being enclosed with the Offers. Simply put, AIR would now be issuing Offers to all the recommended candidates and it would be incumbent upon the candidates to produce the Certificates and the Affidavit at the time of joining at the designated place of posting. The candidates are also required to produce the medical fitness certificate from Medical Officer of Government Hospital at the time of joining. **It must be understood here that the above explained simplified procedure is not in lieu of police verification.** It may also be noted that appointments made on the basis of this simplified procedure would be 'provisional' subject to completion of the police verification as indicated in the Offers of Appointment. As such the requirement of completing the police verification stands and is required to be completed as soon as possible. But this will not stand in the way of our issuing the Offers and the joining of the candidates.

3. It may also be noted that in case the police verification contains any adverse remark or observation which warrants discontinuation, AIR shall have the right to terminate the provisional appointment without any notice. We hope this new system would benefit many of the recommended candidates.
