

UPDATE ON RECRUITMENT - 5

We have made considerable progress in the matter of recruitment as you would notice from the attached up-dated lists of completed cases (Annexure I, II and III). We have also cleared the last few hurdles in the way of issue of Offers of Appointment. The division of the selected candidates between All India Radio and Doordarshan is complete.

2. Senior Officers of All India Radio have been meeting the recommended candidates in DG:AIR every week to address their queries and solve whatever problems they may have been facing in the completion of their pre-appointment formalities. As informed earlier, two telephone lines are working for this purpose. An online public interface has also been developed for providing status of the recruitment process to the candidates. Updated data is being fed into the system presently. It is likely to become operational soon. As we have already addressed all kinds of queries of the candidates in our weekly interactions, and, with the above mentioned mechanism in place, all concerned will be able to check their status online, **hence, there will be no further interaction between the Officers and the candidates in DG:AIR.**

3. The road has been long and hard but we are now almost at the end of it. As they say, the last mile is often the longest and the toughest but the prospect of the rainbow at the touch line propels us to put in our best efforts.
