

Update on recruitment - Issue of Offers of Appointment –
27.03.2015

In continuation of our last update dated 20.03.2015, the list of those candidates in the categories of TREXs and EAs to whom we have issued the offers in the last one week are enclosed at Annexure I & II.

2. Some candidates who have been selected for Marketing have queried about their postings and prospective joining. While DG:AIR is issuing Offers of Appointment in respect of most of the Programme Executives, the postings for PEXs who have been selected for Marketing are being decided by Prasar Bharati. They are likely to send us the postings shortly. Of the 18 PEXs selected for Marketing, the pre-appointment formalities are complete in respect of 16. We will be issuing Offers of Appointment to them as soon as we receive their postings.

3. While we are concentrating on issuing Offers of Appointment, we have also processed many more cases where pre-appointment formalities are complete. We will upload fresh lists of completed cases sometime next week.

4. We gratefully acknowledge the gratitude expressed by our new colleagues.
