

**Update on recruitment - Issue of Offers of Appointment –**  
**20.04.2015**

In continuation of our last update dated 10/4/2015, fresh lists of candidates to whom we have issued Offers are enclosed in Annexure I & II. I am happy to inform that the postings of Marketing PEXs have also been made and we are likely to start issuing their Offers soon.

We have reviewed the entire process of recruitment and have noticed that the maximum delay in the whole process has been caused by the non-receipt of PVRs from the District Authorities. This delay is not only upsetting the candidates but is also interfering in our schedule of training. After careful consideration of the requests of candidates, Prasar Bharati has decided to devise ways and methods of simplifying the procedure by granting time for the completion of pre-appointment formalities and let the candidates join provisionally, subject to fulfilment of certain conditions. We will inform you after finalising the same. Till that time, the present system would continue to be in place and we would be issuing Offers to all those candidates whose Police verification formalities have been completed.
