

## **UPDATE ON RECRUITMENT**

As promised, the telephone line has become operational and we are receiving 30 to 40 calls everyday which are being noted and the replies to the queries made. Today we are uploading the lists of those candidates in respect of whom all the pre-appointment formalities are complete (Annexures I, II and III). Though we have many complete cases in the grade of PEX, we are not presently in a position to issue offers of appointment due to the CAT case in Hyderabad. Efforts are still on to resolve the matter and we are hopeful of having the stay vacated shortly. It has been brought to our notice by some candidates that the Programme Staff Association (PSA) has claimed that their case is not responsible for the current obstruction in issue of appointment letters. It is informed that the case has been filed by PSA and they have requested for the holding of their DPC **before** the new recruits are appointed. CAT has ordered accordingly on their request. We have tried to bring to the notice of CAT that departmental promotion and direct recruitment are two separate channels and the former should not have any bearing on the latter. This Office refutes the claims made by the PSA. The issue would settle if PSA withdraws the case immediately.

2. Senior Officers of the Directorate held a meeting with the recommended candidates on 04.02.2015 and answered scores of queries and cleared many doubts. It was stressed that character verification is a compulsory pre-requisite to the appointment and can neither be hastened nor done away with. We are in the process of reminding the District Authorities to expedite action and return the attestation forms so that we can proceed with the appointments.

3. Last but not the least, we, here in the Directorate, are doing all we can, to have the recommended candidates join us as early as possible. While we do not expect any bouquets for our hard work, we certainly do not appreciate being maligned on phone/e-mail/social media. We expect decorous behaviour from the aspiring colleagues. We will keep you posted on the progress at regular intervals.
