

Update on recruitment - Issue of Offers of Appointment –

24.04.2015

In continuation of our last update on the above subject, the new lists of TREXs and EAs to whom we have sent Offers in the last one week are enclosed at Annexures I and II.

As for the relaxation of the procedure of police verification, we are making some headway. Since it is a crucial part of appointment, we have to tread carefully. The changes have to be positive but must not cause any problems to either the employer or the inductees at a later stage. It may take us a few more days to work out the modalities in consultation with Prasar Bharati.
