

Update of recruitment - Issue of Offers of Appointment

We are happy to inform that we have rolled out the Offers of Appointment to the recommended candidates. More than 100 letters have been issued so far in the categories of PEXs, TREXs and EAs (Annexure I, II and III). The letters are being issued through Speed Post. Detailed instructions are contained therein for the candidates regarding joining procedure. Our heartiest congratulations to all those who would be joining us soon.

2. Issue of these letters is a continuous process and we are sending out some letters every day. These letters are being sent to those candidates in whose respect all the pre-appointment formalities have been completed. Ranks obtained in the exam are not of any consequence in the issue of these letters. Some candidates may get the letter earlier than others. We advise the candidates to have patience and not resort to panic calls/ e-mails to our offices if they do not receive the Offers at the same time as their friends. It is reiterated that the offers are being issued to only those candidates whose pre-appointment formalities have been completed.

3. As for those candidates whose police verifications have not been completed at all the given addresses, we suggest that efforts may be made to get the same completed early. If any problems are experienced, these may be brought to our notice through our helplines. Since there are two helpline numbers operational at Prasar Bharti, DG:AIR would be closing its two telephone lines (9599839258 and 23421697) with immediate effect. Henceforth, all queries may be registered at the Prasar Bharti Help line Numbers only. All efforts will be made to respond to the same.

4. We have worked very hard over the past several months to reach this day when we are issuing the Offers of Appointment to a fresh lot of candidates. It is a mile-stone since the day has come after a very long period of time. It is both our pride and pleasure to have achieved this. We welcome our new colleagues.
