

Update of Recruitment - Issue of Offers of Appointment

In continuation of our last update dated 13.3.2015, we are pleased to say that some of the recommended candidates have received their Offers of Appointment and have reported for joining. Feedback of their first few days of work is very encouraging.

2. The updated lists of all those candidates in the categories of PEX, TREX and EA to whom the offers have been issued so far are enclosed (Annexure I, II & III). Simultaneously, we are continuing to process the pre-appointment formalities of police verification and medical fitness in respect of other candidates. Any particular problems that the candidates may be facing in the completion of these formalities may be brought to our notice for resolution.

3. We humbly accept the kind words and appreciation given by our new colleagues. At the same time, we do not take kindly to unwarranted verbal onslaught of those candidates who choose to violate official and personal decorum. Such behaviour is being taken note of. We once again advise our friends to exercise utmost restraint in voicing their grievances.
